

Open Road Norfolk

SAFEGUARDING POLICY

This policy is on our website and is available on request from office@openroadtraining.co.uk. We provide commissioners with this policy during pre-placement planning, and we also inform parents and carers about this policy when their children join our setting.

We recognise the expertise our staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis and we therefore invite staff to contribute to and shape this policy and associated safeguarding arrangements.

The policy is provided to all staff at induction alongside our Employee Handbook, which includes a Code of Conduct for staff. In addition, all staff are provided with Part One of the statutory guidance *'Keeping Children Safe in Education'*. staff are required to read Part One following the updates every September, and sign to say that they have read and understood the document.

All staff receive training on safeguarding procedures at Open Road on joining the Trust. An annual update is provided in September.

This policy will be reviewed in full by the Open Road Trust Board on an annual basis. It was last reviewed on 10th September 2025 and was updated in January to include revised contact details for the Designated and Deputy Safeguarding Leads at Open Road Thetford, as well as new provisions relating to the safeguarding of vulnerable adults.

Unregistered Settings and Voluntary Safeguarding Standards

Open Road operates as an unregistered alternative provision setting and does not provide full-time education to five or more children of compulsory school age. We are committed to following the Department for Education's guidance for unregistered settings (May 2025) and voluntarily uphold safeguarding standards equivalent to those required in registered settings. We ensure all staff are trained, DBS-checked, and aware of their responsibilities to safeguard children. We also promote transparency and accountability through regular policy reviews and commissioner engagement.

Cybersecurity and Artificial Intelligence (AI)

In line with Keeping Children Safe in Education 2025, Open Road recognises the emerging risks associated with misinformation, disinformation, and the use of generative AI. We have implemented cybersecurity measures aligned with the DfE's Cyber Security Standards for Schools. Staff are trained to identify and respond to online harms, including those facilitated by AI technologies. Our filtering and monitoring systems are reviewed annually using the DfE's self-assessment tool to ensure they remain effective.

Attendance and Safeguarding

Open Road acknowledges the statutory link between attendance and safeguarding as outlined in the 2025 guidance 'Working Together to Improve School Attendance'. We monitor attendance closely and report unexplained absences to commissioners within 30 minutes of the expected arrival time. Persistent absence is treated as a potential safeguarding concern and escalated accordingly.

Norfolk County Council Adult Social Services	Safeguarding Concerns Relating to Vulnerable Adults	N/A	03448008020
--	---	-----	--------------------

Open Road must have due regard to the safeguarding of the children attending the training centre at 17, Rollesby Road, King's Lynn and Unit 1 Nunnery Stud, Shadwell Estate, Thetford.

Within this policy, where the guidance is clear that the commissioner should be informed, the following applies in all cases, where the child:

- is on a school roll, contact the DSL at the home school.
- is under the remit of the [Alternative Education Service \(Section 19 team\) - Schools \(norfolk.gov.uk\)](http://norfolk.gov.uk), contact the relevant adviser/key contact.
- is in care, and the placement has been commissioned by the [Virtual School for Children in Care and Previously in Care - Schools \(norfolk.gov.uk\)](http://norfolk.gov.uk), contact the relevant adviser/key contact.
- is electively home-educated, contact an adviser within [Home Education - Schools \(norfolk.gov.uk\)](http://norfolk.gov.uk).

2. Purpose and aims

2.1 The purpose of Open Road's safeguarding policy is to ensure every child who attends the training centre is safe and protected from harm. This means we will always work to:

- Protect children and young people at our setting from maltreatment.
- Prevent impairment of our children's and young people's mental and physical health or development.
- Ensure that children and young people at our setting grow up in circumstances consistent with the provision of safe and effective care.
- Undertake that role so as to enable children and young people at our setting to have the best outcomes.

2.2 This policy will give clear direction to all staff, visitors, commissioners, parents and carers and children about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our setting.

2.3 Open Road fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who attend our setting. The elements of our policy are prevention, protection and support. This policy applies to all children, staff, Trustees, commissioners, parents and carers, and visitors.

2.4 Open Road is committed to safeguarding not only children, but also vulnerable adults (adults at risk) who may attend our provision. An *adult at risk* is any person aged 18 or over who:

- has needs for care and support,
 - is experiencing or at risk of abuse or neglect, and
 - as a result of those needs, is unable to protect themselves from harm or exploitation.
- (Care Act 2014)

We will work to prevent abuse, reduce risk, and act promptly whenever a vulnerable adult is at risk of harm.

3. Open Road's ethos

3.1 The child's welfare is of paramount importance at Open Road. We will establish and maintain an ethos where young people feel secure, are encouraged to talk, are listened to and are safe. Young people will be able to talk freely to any member of staff if they are worried or concerned about something. All staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment.

3.2 We recognise that our staff play an important role as they are in a position to identify concerns and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of 'it could happen here' where safeguarding is concerned.** When concerned about the welfare of a child, staff must always act in the **best interests** of the child.

3.3 Open Road recognises that some young people using our service may turn 18 while still attending, or we may work with adults on certain programmes or activities. We uphold the six principles of adult safeguarding as defined by the Care Act 2014:

- Empowerment
- Prevention
- Proportionality
- Protection
- Partnership
- Accountability

Adults at risk will be listened to, respected, and supported to make their own decisions wherever possible ("Making Safeguarding Personal").

3.4 At Open Road we ensure that safeguarding and child protection is at the forefront and underpin all relevant aspects of process and policy development. We operate with the best interests of the child at heart.

3.5 Where there is a safeguarding concern, the child's wishes and feelings are taken into account when determining what action to take and what services to provide. The systems we have in place are well promoted, easily understood and easily accessible for children to confidently report abuse, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback. Our systems are designed to ensure that schools and other commissioners, such as the local authority, are informed **without delay** where there is a safeguarding concern.

3.6 All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a child's disclosure and how to record and report the information. We will not make promises to any child, and we will not keep secrets. Every child will know what the adult will have to do with any information they have disclosed. All staff will be trained to recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. At all times we will work in partnership and endeavour to establish effective working relationships with schools, other commissioners, parents, carers and colleagues from other agencies in line with [Working Together to Safeguard Children](#) and the [Norfolk Multi Agency Safeguarding Partnership arrangements](#).

3.7 Open Road recognises that pupils who may benefit from alternative education are often the most vulnerable children. They may have special needs (with or without an Education Health and Care Plan [EHCP]), medical needs, attendance difficulties, challenging behaviour, experienced adverse child experiences and trauma, at risk of permanent exclusion, in care and/or known to supporting agencies such as the Youth Justice Service for example. Open Road understands that children attending AP may feel more at ease (than at school, for example) and therefore make disclosures more readily than in school.

3.8 Open Road will ensure that before the student's start date, the following information is recorded:

- If a school is the commissioner, the name and contact details for the home school's Designated Safeguarding Lead.
- If the local authority is the commissioner, the name, telephone number and email for the local authority officer commissioning the placement 44 key contact at the Virtual School for Children in Care or Previously in Care, as appropriate.
- A clear service level agreement on how safeguarding concerns will be communicated, followed up and by whom, and how regular communication between the home school/commissioner and Open Road will be assured.
- Pupil-specific risk assessment.
- Emergency contact details for the pupil.
- Key medical information.

Additional guidance on pre-placement procedures is available at [Unregulated alternative provision templates - Schools \(norfolk.gov.uk\)](#)

3.9 At Open Road we understand the importance of working in a way that adheres to the following legislation:

- The Human Rights Act 1998
- Equality Act 2010
- Public Sector Equality Duty

This means we do not unlawfully discriminate against children because of their sex, race, disability, religion or belief, gender reassignment, pregnancy and maternity, or sexual orientation (protected characteristics).

4. Roles and responsibilities

4.1 Working under the direction of the Open Road Trust Board, the Managing Director, is responsible for ensuring that:

- all staff carry out the requirements of this policy.
- all staff work in a way that will safeguard and promote the welfare of all children attending Open Road.
- all staff receive appropriate safeguarding induction on appointment.
- all staff are adequately trained to carry out safeguarding duties.
- all staff maintain timely and detailed records of safeguarding.
- the safeguarding lead has sufficient time to carry out their duties.
- this policy is reviewed and updated annually.
- all staff read and sign annually to say they have read and understood Part One of [Keeping children safe in education - GOV.UK \(www.gov.uk\)](http://www.gov.uk).
- procedures are in place for dealing with allegations against members of staff.
- procedures are in place for promptly informing schools and other commissioners of safeguarding concerns.
- safeguarding records are maintained confidentially and securely.
- safer recruitment practices are followed.
- placement procedures include detail on when and how safeguarding concerns are reported back to schools and other commissioners.
- placement paperwork includes contact details for the commissioning schools' Designated Safeguarding Lead.
- sufficient information is provided to visitors on how to report a safeguarding concern (e.g., by providing a leaflet on arrival, or having a poster in reception).

4.2 The safeguarding leads, Martin Slater, Managing Director, and Billie Lawler, Thetford Training Centre Manager, are responsible for:

- informing schools and commissioners of safeguarding concerns **without delay**.
- maintaining accurate safeguarding records.
- ensuring that safeguarding records are maintained confidentially and securely.
- maintaining an accurate central log of home school Designated Safeguarding Lead and/or other commissioner contact details.

4.3 The safeguarding lead(s) are signed up to [Norfolk Schools](#) Ecourier to receive weekly Management Information [MI] sheets. These often contain safeguarding updates for schools and may be of value to unregistered AP settings.

4.4 All staff have a duty to recognise and report concerns about abuse or neglect of a vulnerable adult. The Designated Safeguarding Lead (DSL) is responsible for:

- making referrals to Norfolk Adult Social Services,
- consulting the Norfolk Safeguarding Adults Board (NSAB) procedures,
- ensuring staff receive adult safeguarding training,
- ensuring consent is considered unless the adult lacks capacity or others are at risk.

5. Training and induction

5.1 When new staff join Open Road they will be informed of the safeguarding arrangements in place. All staff will annually be given a copy of this safeguarding policy, the Staff Code of Conduct, behaviour policy and Part One of [Keeping children](#)

[safe in education - GOV.UK \(www.gov.uk\)](http://www.gov.uk). All staff are expected to read these key documents and sign a log to record that all have been read and understood. They will also be provided with contact details for the safeguarding lead(s) and information about how to record and report safeguarding concerns.

5.2 Every new member of staff will receive safeguarding training during their induction period within 10 working days of joining Open Road. This programme will include information relating to signs and symptoms of abuse, how to manage a disclosure from a child (including reassuring victims that they are being taken seriously and that they will be supported and kept safe), how to record concerns, the processes for referral to Children's Services and the remit of the safeguarding lead. The induction will also include information about whistleblowing in respect of concerns about another adult's behaviour and suitability to work with children. Staff will also receive online safety training, including understanding the expectations, applicable roles, and responsibilities in relation to filtering and monitoring as this is part of the overarching safeguarding approach.

5.3 In addition to the safeguarding induction, we will ensure that mechanisms are in place to assist staff to understand and discharge their role and responsibilities as set out in Part One of [Keeping children safe in education - GOV.UK \(www.gov.uk\)](http://www.gov.uk) In order to achieve this, we will ensure that:

- all staff undertake appropriate annual safeguarding training, and the Trust Board and safeguarding lead(s) will evaluate the impact of this training.
- all staff receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children.
- we consistently work on the basis 'it could happen here' in all our dealings with students at Open Road.

5.4 All staff, volunteers and commissioners will be informed of our safeguarding procedures, including how to contact the safeguarding lead(s), how to record a concern and pass it on. Parent carers will be signposted to the policy on our website.

5.5 Our board of Trustees will also undertake appropriate training to equip them with the knowledge to provide strategic challenge to test and assure themselves that the safeguarding policies and procedures in place are effective and support the delivery of a robust approach to safeguarding at Open Road.

6. Procedures for managing concerns

6.1 Open Road adheres to child protection procedures that have been agreed locally through the [Norfolk Safeguarding Children Partnership](#). Where we identify children and families in need of support, we will notify the commissioner without delay and work in partnership with them and other agencies which may subsequently become involved.

6.2 All staff are encouraged to report any concerns that they have and not see these as insignificant. On occasion, a referral is justified by a single incident such as an

injury or disclosure of abuse. More often however, concerns accumulate over a period of time and are evidenced by building up a picture of harm over time; this is particularly true in cases of emotional abuse and neglect. In these circumstances, it is crucial that staff record and pass on concerns in accordance with this policy immediately to allow the safeguarding lead to pass this information on to the home school or other commissioner.

6.3 It is *not* the responsibility of Open Road staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, have a duty to recognise concerns and pass the information on to commissioners in accordance with the procedures outlined in this policy.

6.4 The safeguarding lead should be used as a first point of contact for concerns and queries regarding any safeguarding concern at Open Road. Any member of staff or visitor who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the safeguarding lead, or if unavailable, to the deputy safeguarding lead. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff on site.

6.5 All concerns about a child or young person should be reported **without delay** and recorded in writing using the agreed system in the setting (see [Appendix 1](#)). Records should include:

- a clear and comprehensive summary of the concern.
- the time and date that the concern was communicated to the home school/ commissioner.
- details of how the concern was followed up and resolved.
- a note of any action taken, decisions reached and the outcome.

6.6 Following receipt of any information raising concern, the safeguarding lead will pass this on **without delay** to:

- The home school Designated Safeguarding Lead, or;
- Other commissioner, or;
- [Services to Home Educators Team](#) if the child is electively home educated by their parent, or;
- The relevant Norfolk County Council officer if the child is not on the roll of a school, but has been placed by the local authority, for example on an EOTAS¹ package.

6.7 If, at any point, there is a **risk of immediate serious harm** to a child a referral should be made to [Children's Advice and Duty Service \(CADS\)](#) immediately on **0344 800 8021**². Anyone can make a referral in these circumstances. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration by raising concerns again with the safeguarding lead. Concerns should always lead to help for the child at some point.

¹ Education other than at school

² Note: this telephone number is only for professionals working with children. 0344 800 8020 should be used by members of the public.

6.8 Staff should always follow the reporting procedures outlined in this policy in the first instance. However, they may also share information directly with Norfolk Children's Advice & Duty Service, or the police if:

- the situation is an emergency and the Safeguarding Lead, their deputy and the Designated Safeguarding Trustee are unavailable.
- they are convinced that a direct report is the only way to ensure the child's safety.

6.9 Any staff member who does not feel that concerns about a child have been responded to appropriately and in accordance with the procedures outlined in this policy should raise their concerns with the Designated Safeguarding Trustee. If any staff member does not feel the situation has been addressed appropriately at this point should contact [Children's Advice and Duty Service \(CADS\)](#) directly with their concerns.

6.10 Where a concern relates to a vulnerable adult, staff must report this to the safeguarding lead immediately. The DSL will assess whether the threshold for an Adult Safeguarding Referral is met, following the Care Act 2014 and the Norfolk Safeguarding Adults Board guidance.

The DSL will consider:

- whether the adult has care and support needs,
- whether they are experiencing or at risk of abuse or neglect,
- whether, due to care and support needs, they are unable to protect themselves.

If a referral is needed, the DSL will contact: Norfolk Adult Social Services

Tel: 0344 800 802

7. Specific Safeguarding Issues

Contextual safeguarding

7.1 At Open Road we recognise that safeguarding incidents and/or behaviours can be associated with **factors outside of the setting's environment** and/or can occur between children outside of the setting. This is known as contextual safeguarding. It is key that all Open Road staff understand the definition of contextual safeguarding and consider whether children are at risk of abuse or exploitation in situations outside their families. Through training we will ensure that staff and volunteers are aware that extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence. When reporting concerns, staff should include as much information and background detail as possible for the safeguarding lead to report to the home school Designated Safeguarding Lead or other commissioner to provide a holistic view of the child. This will allow any assessment to consider all the available evidence and the full context of any abuse.

7.2 At Open Road we recognise that **children with special educational needs or disabilities (SEND) or certain health conditions** can face additional safeguarding challenges such as;

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's condition without further exploration.

- children with SEN and disabilities can be disproportionately impacted by things like bullying- without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.

7.3 At Open Road we recognise that a **previously looked after child** potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep previously looked after children safe. During pre-placement arrangements, we will ensure that key contacts for the Virtual School are named, and agreement is reached on how and when the Virtual School should be informed of a safeguarding concern.

Child Sexual Exploitation [CSE], Child Criminal Exploitation [CCE]: County Lines and serious violence

7.4 At Open Road we train staff to recognise that both **CSE and CCE** are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, sexual identity, cognitive ability, physical strength, status, and access to economic or other resources. Victims can be exploited even when activity appears consensual, and it should be noted exploitation as well as being physical can be facilitated and/or take place online.

7.5 We recognise that CSE is a form of child sexual abuse, and this imbalance of power coerces, manipulates or deceives a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator. CSE does not always include physical contact, it can also occur through the use of technology. We understand that some children may not realise they are being exploited e.g., they may believe they are in a genuine romantic relationship.

7.6 We understand that CCE is a geographically widespread form of harm that is a typical feature of county lines criminal activity. Drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes when the victim may have been trafficked for the purpose of transporting drugs.

7.7 We understand that children can become trapped by this type of exploitation as perpetrators can threaten victims (and their families) with violence or entrap and coerce them into debt. They may be coerced into carrying weapons such as knives or begin to carry a knife for a sense of protection from harm from others. We will treat these children as victims understanding that they have been criminally exploited even if the activity appears to be something they have agreed or consented to. We recognise the experience of girls who are criminally exploited can be very different to that of boys and that both boys and girls being criminally exploited may be at higher risk of sexual exploitation.

7.8 At Open Road, staff are aware of the indicators and risk factors which may signal a child is vulnerable to or involved with serious violent crime. We make reference to the Home Office's [Preventing youth violence and gang involvement](#) and [Criminal exploitation of children and vulnerable adults: county lines](#) guidance for more information.

7.9 If a child is suspected to be at risk of or involved in county lines, the home school or other commissioner will be informed **immediately**.

So-called 'honour-based violence (including Female Genital Mutilation [FGM] and Forced Marriage)

7.10 At Open Road we recognise that our staff are well placed to identify concerns and take action to prevent children from becoming **victims of FGM and other forms of so-called 'honour-based' violence** [HBV] and provide guidance on these issues through our safeguarding training. If staff have a concern regarding a child that might be at risk of HBV, they should inform the safeguarding lead who will inform the home school or other commissioner immediately (see p4).

7.11 Where FGM has taken place, since 31 October 2015 there has been a mandatory reporting duty placed on **teachers**. [Section 5B of the Female Genital Mutilation Act 2003](#) (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon teachers in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. Further information on when and how to make a report can be found at: [Mandatory Reporting of Female Genital Mutilation-procedural information](#) Home Office (January 2020).

7.12 At Open Road, we recognise that **forcing a person into a marriage** is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. The Forced Marriage Unit has [statutory guidance](#) and [Multi-agency guidelines](#) and can be contacted for advice or more information: Contact 020 7008 0151 or email fmufco.gov.uk

Preventing radicalisation and extremism

7.13 We recognise that safeguarding against **radicalisation and extremism** is no different to safeguarding against any other vulnerability in today's society. At Open Road, we will ensure that:

- through training, staff have an understanding of what radicalisation and extremism is, why we need to be vigilant and how to respond when concerns arise.
- the safeguarding lead will notify the home school or commissioner of any concerns in this area **without delay** (see p4).
- there are systems in place for keeping children safe from extremist material when accessing the internet in our setting by using effective filtering and usage policies.

- the safeguarding lead has received Prevent training and will act as the point of contact for any concerns relating to radicalisation and extremism.
- the safeguarding lead may make referrals in accordance with [Norfolk Channel Procedures](#) and may represent our setting at Channel meetings as required.

Child on child sexual violence and sexual harassment

7.14 At Open Road all staff are trained so that they are aware that safeguarding issues can manifest themselves via **child on child abuse**. This is most likely to include, but may not be limited to:

- bullying (including cyberbullying).
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm.
- sexual violence and sexual harassment.
- Upskirting.
- sexting (also known as youth produced sexual imagery).
- initiation/hazing type violence and rituals.

7.15 We recognise that children are vulnerable to physical, sexual and emotional abuse by other children or siblings. Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important for all staff and volunteers to remember the impact on both the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour. We understand that abuse can occur in intimate personal relationships between children; and that consensual and non-consensual sharing of nudes and semi nudes images and or videos³ (also known as sexting or youth produced sexual imagery) is a form of child on child abuse.

7.16 We understand, that even if there are no reports in our training centre it does not mean it is not happening, it may be the case that it is just not being reported. We recognise that children may not find it easy to tell staff about their abuse and can show signs or act in ways that they hope adults will notice and react to. In some cases, the victim may not make a direct report, and this may come from a friend or a conversation that is overheard. Such abuse will always be taken as seriously as abuse perpetrated by an adult and the same safeguarding children procedures will apply in respect of any child who is suffering or likely to suffer significant harm. Staff must never tolerate or dismiss concerns relating to child on child abuse and they will always challenge this. It must never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'. Doing this can lead to a culture of unacceptable behaviours, an unsafe environment for children and in worst case scenarios a culture that normalises abuse leading to children accepting it as normal and not coming forward to report it.

7.17 At Open Road, we regularly review decisions and actions, and relevant policies are updated to reflect any lessons learnt. We look out for potential patterns of concerning, problematic or inappropriate behaviour. Where a pattern is identified, we decide upon an appropriate course of action.

³ UKCIS guidance: [Sharing nudes and semi-nudes advice for education settings](#)

7.18 At Open Road, *all* staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment.

Nor will a victim ever be made to feel ashamed for making a report. We will also offer appropriate support to the perpetrator and any other children involved.

7.19 All staff will understand that they should follow our safeguarding procedures for reporting a concern if they are worried about child on child abuse. The safeguarding lead will notify the home school or other commissioner of any safeguarding concerns in this area **without delay** (see p4).

7.20 In liaison and with the agreement of the home school Designated Safeguarding Lead or other commissioner, we will work with other agencies including the police and Children's Social Care, as required to respond to concerns about sexual violence and harassment. Where agreed with the home school Designated Safeguarding Lead or other commissioner, we will seek consultations where there are concerns or worries about developmentally inappropriate or harmful sexual behaviour from the Harmful Sexual Behaviour (HSB) Team as required so that we ensure we are offering the right support to the child(ren). Where appropriate, we will share risk assessments and/or advice from the HSB team with the commissioner.

7.21 Support will depend on the circumstances of each case and the needs of the child, it may include completion of risk assessments to support children to remain in the setting whilst safeguarding other children and the victim, delivery of early intervention in respect of HSB and/or referral to [The Harbour Centre Sexual Assault Referral Centre](#) (SARC) where a pupil discloses a rape, an attempted rape or a serious sexual assault whether this has happened recently or in the past. The assault does not have to have taken place in Norfolk but the victim must live in Norfolk to access support. The SARC also has a 24/7 helpline 01603 276381 if pupils or staff need to speak to a Crisis Worker for help & advice. Referral forms can be found on [The Harbour Centre website](#). **Any actions should be agreed with the home school Designated Safeguarding Lead or other commissioner.**

Modern Slavery

7.22 At Open Road, we understand that **modern slavery** encompasses human trafficking and slavery, servitude and forced or compulsory labour. Exploitation can take many forms, including sexual exploitation, forced labour, slavery, servitude, forced criminality and the removal of organs. We refer to the DfE guidance [Modern slavery: how to identify and support victims](#) for concerns of this nature.

The safeguarding lead will notify the home school or other commissioner of any safeguarding concerns in this area **without delay** (see p4).

Safeguarding responses to children who go missing

7.23 At Open Road, all staff should be aware of the safeguarding responsibilities for **children who are absent or go missing** from the training centre, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual abuse or exploitation, and to help prevent the risks of them going missing in future.

At Open Road, we adhere to the following procedures and processes to ensure there is an appropriate safeguarding response to children who are missing:

- an attendance register is taken at the start of the first session of each day.
- attendance (positive attendance, lateness and absences) is reported to the home school/commissioner within 30 minutes of the child's planned arrival.
- we hold at least two emergency contact numbers for each of the children who attend our setting wherever possible.
- if a child absconds from Open Road, the home school/commissioner and parent/carer will be informed immediately.
- staff will alert the safeguarding lead to any concerns raised regarding children who are absent.
- children **will not be given permission to leave the AP site** during the session, unless, for example, it is for a pre-arranged appointment or trip.
- any absence concerns will be discussed with the commissioner without delay.

Mental Health

7.24 At Open Road, all staff are made aware, through training, that **mental health** problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Our staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

7.25 We understand that where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescence and into adulthood. Therefore, through training, staff are aware of how children's experiences, can impact on their mental health, behaviour and education. All staff are aware that if they have a mental health concern about a child that is *also* a safeguarding concern, they should take immediate action by passing the information on to the safeguarding lead. The safeguarding lead will notify the home school or other commissioner of any safeguarding concerns in this area **without delay** (see p4).

Online Safety

7.26 At Open Road, all staff are aware that **technology** is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face. We understand that in many cases abuse will take place concurrently online and in daily life. We know that children can also abuse other children online, this can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography.

7.27 As part of the requirement for staff to undergo regular updated safeguarding training, **online safety training** is also delivered, We will ensure online safety is a

running and interrelated theme and is reflected in relevant policies, staff training, the role and responsibilities of the safeguarding lead and any parental engagement.

We have the following measures in place to promote online safety:

- A recognised internet service provider - BT
- A firewall and robust antivirus software.
- Our internet service provider offers web protect and content control.
- We have an encrypted and password protected Wi-Fi network.
- We employ the services of an expert IT support company to manage and maintain our IT system, equipment, and internet security.
- Children are always supervised by a staff member or volunteer when using devices online.
- Personal data is managed in compliance with The Data Protection Act 2018 .
- Passcode and lock screened are used on all devices.
- If children are using devices and do not need online access, this is turned off before they are given the device.
- Promoting online safety awareness to the children we work with by:
 - *having informal conversations where we discuss online safety*
 - *children will be supported to recognise not everything on the internet is true or accurate.*
 - *staff/volunteers will act as good role models in their use of online technologies.*

7.28 At Open Road, we recognise that technology, and risks and harms related to the internet evolve and change rapidly. Therefore, we carry out an annual review of our approach to online safety, supported by a risk assessment (on at least an annual basis) that considers and reflects the risks that children face in our setting.

The safeguarding lead will notify the home school or other commissioner of any safeguarding concerns in this area **without delay** (see p4).

Cybercrime

7.29 We understand that **cybercrime** is criminal activity committed using computers and/or the internet. It is broadly categorised as either 'cyber-enabled' (crimes that can happen off-line but are enabled at scale and at speed on-line) or 'cyber dependent' (crimes that can be committed only by using a computer).

If there are concerns about a child in this area, the safeguarding lead must notify the home school or other commissioner **without delay** (see p4).

Domestic Abuse

7.30 At Open Road, all staff are aware that domestic abuse can encompass a wide range of behaviours and may be a single incident or a pattern of incidents. That abuse can be, but is not limited to, psychological, physical, sexual, financial or emotional. We understand that children can be victims of domestic abuse, and this can have a detrimental and long-term impact on their health, well-being, development, and ability to learn.

If there are concerns about a child in this area, the safeguarding lead will notify the home school or other commissioner **without delay** (see p4).

Children with special educational needs and disabilities or physical health issues

7.31 At Open Road, we recognise that children with special educational needs or disabilities (SEND) or certain health conditions can face additional safeguarding challenges such as

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's condition without further exploration.
- these children being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children.
- the potential for children with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in managing or reporting these challenges.

7.32 We work to address these additional challenges and consider extra pastoral support and attention for these children, along with ensuring any appropriate support for communication is in place.

7.33 At Open Road, we also recognise that pupils who attend Alternative Provision will often have complex needs and due to this we are aware of the additional risk of harm these children may be vulnerable to.

Children who are lesbian, gay, bi or trans [LGBT]

7.34 The fact that a child may be **LGBT** is not in itself an inherent risk factor for harm. However, in line with [Keeping children safe in education](#) we recognise that children who are LGBT or those perceived by other children to be LGBT could potentially be more vulnerable and therefore we work to reduce any additional barriers faced. We provide a safe space for these children to speak out or share their concerns with staff.

If there are concerns about a child in this area, the safeguarding lead will notify the home school or other commissioner **without delay** (see p4).

7.35 When working with vulnerable adults, staff must be aware of additional categories of abuse defined in the Care Act 2014:

- Physical abuse
- Domestic violence (including coercive control)
- Sexual abuse
- Psychological/emotional abuse
- Financial or material abuse
- Modern slavery
- Discriminatory abuse
- Organisational/institutional abuse
- Neglect and acts of omission
- Self-neglect

Concerns involving adults at risk must be reported using adult safeguarding procedures rather than child protection routes.

8. Recording and information sharing

8.1 If staff are concerned about the welfare or safety of any child at Open Road, they will record their concern on the agreed reporting form ([Appendix 1](#)). Any concerns should be passed to the safeguarding lead without delay.

8.2 Any information recorded will be kept in a separate named file, in a secure cabinet if a paper system is used and not with the child's progress file. These files will be the responsibility of the safeguarding lead. Child protection information will only be shared within the setting on the basis of 'need to know in the child's interests' and on the understanding that it remains strictly confidential.

8.3 Child protection information will be kept up to date. Each concern logged will include:

- a clear and comprehensive summary of the concern and when it was logged.
- details of how and when the home school/commissioner was informed.
- a note of any action taken, decisions reached and the outcome.

8.4 Records of concern, copies of referrals, invitations to child protection conferences, core groups and reports will be stored on the child's file whether an electronic or paper system is used. All our safeguarding records will include a chronology and contents front cover.

8.5. If the child is not on a school roll, Open Road will follow its GDPR policy and confidentially destroy the file after 3 years.

8.6 Recording adult safeguarding concerns

Records relating to vulnerable adults will be stored securely in accordance with GDPR and the Care Act 2014. Information will be shared on a “need-to-know” basis, and consent will be sought unless:

- the adult lacks capacity,
- others are at risk,
- a crime has been committed.

9. Working with commissioners

9.1 Open Road communicates primarily with the home school or commissioner where there are safeguarding concerns.

9.2 Open Road is committed to working in partnership with home schools, commissioners and parent and/or carers to safeguard and promote the welfare of children and to support them to understand our statutory responsibilities in this area.

9.3 When new children join Open Road, home schools, commissioners and parent and/or carers (if the child is home-educated) will be informed that we have a safeguarding policy.

A copy will be provided on request and is available on the Trust’s website www.openroadtraining.co.uk Parent and/or carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to contact the [Children's Advice and Duty Service \(CADS\)](#).

9.4 We are committed to working with parent and/or carers positively, openly and honestly. We ensure that all parent carers are treated with respect, dignity and courtesy. We respect parent carers’ rights to privacy and confidentiality and will not share sensitive information unless we have permission, or it is necessary to do so in order to safeguard a child from harm.

9.5 To keep children safe and provide appropriate care for them, Open Road requires commissioners and parent and/or carers to submit accurate and up to date information regarding:

- full names and contact details of the adults with whom the child normally lives.
- full names and contact details of all persons with parental responsibility (if different from above).
- emergency contact details (if different from above).

9.6 Open Road will retain this information on the child’s file. The setting will only share information about children with adults who have parental responsibility or where a parent carer has given permission and we have been supplied with the adult’s full details in writing.

9.7 If a young person becomes 18 while attending Open Road, safeguarding responsibility transitions from Children’s Services to Adult Social Services.

Commissioners will be informed, and the DSL will coordinate a transition plan ensuring continuity of support.

10. Child Protection conferences

10.1 Children's Services will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.

10.2 The home school/commissioner would normally be the education representative at such meetings. However, our staff members may be asked to attend a child protection conference or core group meetings in respect of individual children. Usually, the person representing Open Road at these meetings will be the safeguarding lead. The person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.

10.3 All reports for child protection conferences will be prepared in advance using the information and templates available at [How to Raise a Concern | Norfolk Safeguarding Children Partnership | PWWC \(norfolkscp.org.uk\)](http://www.norfolkscp.org.uk). The information contained in the report will be shared with parents/carers before the conference as appropriate and will include information relating to the child's physical, emotional and intellectual development and the child's presentation at Open Road. In order to complete such reports, all relevant information will be sought from staff working with the child.

11. Safer recruitment

11.1 We will ensure that the Managing Director and at least one other member of staff has completed appropriate safer recruitment training. At all times they will ensure that our Safer Recruitment policy is followed which is, broadly in line with those detailed in Part 3 of [Keeping children safe in education](#). At least one person involved in conducting an interview will have received safer recruitment training.

11.2 At Open Road, we will use the recruitment and selection process to deter and prevent people who are unsuitable to work with children from applying for or securing employment, or volunteering opportunities.

11.3 we use a range of selection techniques to identify the most suitable person for the post. Structured questions are agreed by the interview panel and any potential areas of concern are explored to determine the applicant's suitability to work with children. We will undertake Disclosure and Barring Service checks on all staff,

volunteers and trustees to ensure we are recruiting and selecting the most suitable people to work with children.

11.4 We will maintain a Single Central Record [SCR]⁴ of all safer recruitment checks carried out in line with recommendations from [Keeping children safe in education](#). A senior member of staff will check the SCR regularly to ensure that it meets statutory requirements.

11.5 At Open Road, we recognise that safer recruitment is not just about carrying out the right DBS checks and is not limited to recruitment procedures. Therefore, we understand the importance of continuous vigilance, maintaining an environment that deters and prevents abuse and challenges inappropriate behaviour.

11.6 As per paragraph 328 of [Keeping children safe in education](#) we will ensure that written confirmation is provided to all home schools and commissioners that appropriate safeguarding checks have been carried out on our staff, i.e., those checks that the school would otherwise perform in respect of its own staff.

11.7 All safer recruitment procedures apply equally to staff working with adults at risk. This includes compliance with the Disclosure and Barring Service requirements for both the Children's Barred List and the Adults' Barred List where relevant.

12.Safer Working Practice

12.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.

12.2 All staff will be provided with a copy of the Staff Code of Conduct at induction. They will be expected to know our Code of Conduct and carry out their duties in accordance with this advice.

12.3 If staff or volunteers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.

12.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice can be found in '[Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings](#)' (February 2022). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

13.Managing allegations against staff and volunteers

⁴ See [Safeguarding forms and templates - Schools \(norfolk.gov.uk\)](#) for a template

13.1 Allegations that may meet the harms threshold.

Our aim is to provide a safe and supportive environment which secures the wellbeing and very best outcomes for the children. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.

13.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur, they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children. We work to the thresholds for harm as set out in [Working together to safeguard children \(2018\)](#) and [Keeping Children Safe in Education](#). An allegation may relate to a person who works/volunteers with children who has:

- behaved in a way that has harmed a child, or may have harmed a child and/or
- possibly committed a criminal offence against or related to a child and/or
- behaved towards a child or children in a way that indicates they may pose a risk of harm to children; and/or
- behaved or may have behaved in a way that indicates they may not be suitable to work with children.

13.3 The 4th bullet point above recognises circumstances where a member of staff is involved in an incident outside of Open Road which did not involve children but could have an impact on their suitability to work with children; this is known as transferrable risk.

13.4 At Open Road we recognise our responsibility to report/refer allegations or behaviours of concern and/or harm to children by adults in positions of trust who are not employed by us to the LADO service directly at lado@norfolk.gov.uk These are adults such as those in the voluntary sector, taxi drivers, escorts, and foster carers.

13.5. We will take all possible steps to safeguard our children and to ensure that the adults in our setting are safe to work with children. When concerns arise, we will always ensure that the procedures outlined in the local protocol [Allegations Against Persons who Work with Children](#) and Part 4 of [Keeping Children Safe in Education](#) are adhered to and will seek appropriate advice. The first point of contact for settings regarding concerns and/or allegation issues is via the **Local Authority Education Duty Desk on 01603 307797**. A Duty Advisor (not a LADO) will give advice and guidance on next steps. If the advice is to make a referral to the LADO service then the [LADO referral form](#) should be completed. The completed LADO referral form is then sent via email to: LADO@norfolk.gov.uk.

13.6 If an allegation is made or information is received about *any* adult who works/volunteers at Open Road which indicates that they may be unsuitable to work/volunteer with children, the member of staff receiving the information should inform Open Road's Managing Director immediately. Should an allegation be made against the Managing Director (MD) this will be reported to the Designated Safeguarding Trustee (DST).

13.7 The MD/DST will seek advice from the LADO within one working day. No member of staff will undertake further investigations before receiving advice from the LADO.

13.8 Any member of staff who does not feel confident to raise their concerns with the MD/DST should contact the LADO directly via email to lado@norfolk.gov.uk.

13.9 Further [information and guidance documents in relation to the LADO process](#), forms, leaflets and the Allegations against Persons who Work/Volunteer with Children Procedures are found on the Norfolk Safeguarding Children Partnership website. Further national guidance can be found at: [Advice on whistleblowing](#). The [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – line is available from 8:00 am to 8:00 pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

13.10 Open Road has a legal duty to refer to the Disclosure and Barring Service anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our Training Centre, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR.

In the case of a teacher employed by Open Road, we will also consider whether to refer the case to the Secretary of State (via the Teaching Regulation Agency) if the teacher is dismissed or the setting ceases to use the services of a teacher because of serious misconduct or might have dismissed them or ceased to use their services had they not left first.

13.11 Concerns that do not meet the harm threshold.

The term 'low-level' concern does not mean that it is insignificant, it means that the behaviour towards a child does not meet the thresholds as stated above. In Norfolk the 'low level' concern process is to consult with the **Local Authority Education Duty Desk on 01603 307797**. At Open Road we recognise a low-level concern to be something which is

- inconsistent with the staff code of conduct, including inappropriate conduct outside of work; and
- does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the LADO.

13.12 At Open Road, we promote an open and transparent culture in which all concerns about all adults working in or on behalf of the setting (including volunteers) are dealt with promptly and appropriately. Through training, staff are made aware of what low level concerns are and understand the importance of reporting these concerns in writing.

13.13 At Open Road, staff report all low-level concerns to the safeguarding lead, or if the concern relates to their conduct, the matter is reported to the Designated

Safeguarding Trustee, and in turn the Trust Board which will be the ultimate decision-making body in respect of all low-level concerns.

13.14 Through training and induction, we ensure that all staff understand the importance of self-referring, where, for example, they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below expected professional standards.

13.15 At Open Road, we understand the importance of recording low-level concerns and the actions taken in light of these being reported. The records are kept confidential and stored securely. We will review the records we hold to identify potential patterns and take action. This could be through a disciplinary process but also by referring to the **Local Authority Education Duty Desk on 01603 307797**. Please note, where a child, parent carer or staff member makes an allegation of harm, this will not be considered as a 'low level' concern without consultation with the Local Authority Education Duty Desk or the LADO service directly.

13.16 We recognise that low level concerns should not be included in references unless they relate to issues which would normally be included in a reference, for example, misconduct or poor performance. However, where a low-level concern (or group of concerns) has met the threshold for referral to the LADO and found to be substantiated, it should be referred to in a reference.

14. Relevant policies and guidance

14.1 To underpin the values and ethos of our setting and our intent to ensure that children are appropriately safeguarded the following policies are also included under our safeguarding umbrella: These policies were approved by the Trust Board in September 2025 and, as with all Open Road's policies, will be subject to annual review.

- Alcohol and Drugs Policy
- Anti-Bullying and Harassment Policy
- Attendance and Absence Policy
- Behaviour Policy
- DBS Policy
- Equality and Diversity Policy
- Employee Handbook – incorporating code of conduct for staff
- GDPR Policy
- PREVENT Policy
- Safer Recruitment Policy which adheres to Part 3 of [Keeping Children Safe in Education](#).
- Health and Safety Policy
- First Aid Policy

14.2 This policy makes reference to the following publications

Appendix 1

Draft Recording Form for Safeguarding Concerns

Staff, volunteers and regular visitors are required to complete this form and pass it to the safeguarding lead if they have a safeguarding concern about a child in our setting.

Information Required	Enter Information Here
Full name of child	
Date of birth	
Home school/commissioner/ home-educated	
Your name and role	
Nature of concern/disclosure	<i>Please include where you were when the child made a disclosure, what you saw, who else was there, what did the child say or do and what you said</i> <i>Ensure that if there is an injury this is recorded (size and shape) and a body map is completed</i> <i>Make it clear if you have a raised a concern about</i>
Time & date of incident:	
Your Signature	
Time and date form completed	
Time and date form received by safeguarding lead	

Information Required	Enter Information Here
Time and date form forwarded to home school/ commissioner/Services to	
Key contact at home school/ commissioner/Services to Home Education	Name Role Email telephone
Additional actions taken by safeguarding lead	
Referral made to police [yes/ no, date and time]	
Referral made to CADS [yes/ no, date and time]	
Referral Made to Other Agency [yes/no, date and time, name of organisation]	
Parents/carers informed [yes/ no, date and time]	
Feedback given to child [yes/no, date and time]	
Feedback given to person who recorded disclosure [yes/no, date and time]	
Further action agreed	
Full name of safeguarding lead	
Signature of safeguarding	
Date of signature	

Older Child

Indicate clearly where the injury was seen and attach this to the referral form.

Appendix 2

Safeguarding Induction Sheet for new staff and regular visitors or volunteers.

We all have a statutory duty to safeguard and promote the welfare of children, and at Open Road we take this responsibility seriously.

If you have any concerns about a child in our setting, you must share this information immediately with our Safeguarding Lead or one of the alternate post holders. Do not think that your worry is insignificant if it is about hygiene, appearance or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the designated professionals detailed below and provide them with a written record of your concern. A copy of the form to complete is attached to this and others can be obtained from reception. Please ensure you complete all sections as described.

If you are unable to locate them ask a member of staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation or low-level concern about a member of staff, a child's foster carer or a volunteer should be reported immediately to the safeguarding lead. If an allegation is made about the Managing Director you should contact the Local Authority Duty Desk on 01603 307797.

[NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – line is available from 8:00 am to 8:00 pm, Monday to Friday or via e-mail: help@nspcc.org.uk

The people you should talk to at *Open Road* in King's Lynn are:

Safeguarding Lead: Martin Slater, Managing Director

Email martin@openroadtraining.co.uk

Contact Number: 01553 776600

Deputy Safeguarding Lead: Robin Hansell, Training Manager

Email robin@openroadtraining.co.uk

Contact Number: 01553 776600

The people you should talk to at *Open Road* in Thetford are:

Safeguarding Lead: Billie Lawler, Training Centre Manager

Email billie@openroadtraining.co.uk

Contact Number: 01842 683347

Deputy Safeguarding Lead: Adam Martin, Motor Vehicle Trainer

Email adam@openroadtraining.co.uk

Contact Number: 01842 683347

Appendix 3

Local safeguarding procedures

Children's Advice and Duty Service [CADS]

[Children's Advice and Duty Service \(CADS\) Norfolk County Council | Norfolk Community Directory](#)

Before contacting CADS, please answer the following questions and follow the advice provided.

1. Can you evidence that the child is experiencing or likely to suffer significant harm?

a. Yes

- i. Do you have the consent of the parent/carer/young person to make contact with CADS or have you informed them of your intention to do so?

1. Yes

- a. Gather all the family's details including dates of birth, current address, current and working contact details and family composition, along with the history and current worries. Ensure that you have to hand details of any support already provided to the child or family.

2. No

- a. Inform the parent/carer and/or gain their consent for you to make this contact unless doing so would put the child at risk

b. No

- i. Have you discussed the child's needs with your safeguarding lead or your line manager?
ii. Discuss the child with your safeguarding lead or line manager if available and follow their advice when providing support to the family

2. Call CADS on the professionals only phone line 0344 800 8021.

3. Make a record of the discussion.

4. Follow the advice given by the consultant social worker.

5. Keep a record for your own setting's recording process

6. The contact number for parents, carers and members of the public is 0344 800 8020.
